

Staff, Consultants & Partnering Positions

Internships/Co-Ops at

GAO RFID Inc. & GAO Tek Inc.

Staff and Consultant Positions

All direct sales and all Amazon sales staff and consultants can be part or full time and can work remotely from anywhere in the world. There are two kinds of compensation structures: base pay + sales commissions, or sales commissions only. For the sales commissions only, the sales commission rate is highly attractive: 40% of the gross profits of your sales! Other staff and consultant positions can be part or full time too but need to be within the driving distance of our Pickering office.

Direct Sales (B2B Sales): Technical qualifications, at least 2 years of selling technical products to businesses and institutions, namely B2B sales. Able to commit at least 20 work hours per week. Please send your resume to hr-sales@gaorfid.com.

Amazon Sales: At least 2 years of selling products on Amazon.com or Amazon.ca. Able to commit at least 20 work hours per week. Please send your resume to HR-eCommerce@Gaotek.com.

If you are interested in the following 6 positions, please send your resume to hr@gaorfid.com:

.NET Software Developers: Experienced with .NET and SQL database for at least 10 years. Living within the driving distance of our Pickering office.

Embedded C Software Developers: Experienced with embedded C for at least 10 years, experienced with telecommunication principles and with DSP algorithms and programming. Living within the driving distance of our Pickering office.

Website Developers: Experienced with WordPress, PHP, SQL database & SEO for at least 5 years. Living within the driving distance of our Pickering office.

Digital Marketing: Experienced with digital marketing and SEO for at least 5 years, good writing skills, and familiarity with WordPress. Living within the driving distance of our Pickering office.

IT Support: Experienced with IT support for Microsoft products for at least 10 years. Living within the driving distance of our Pickering office.

Operational Management: Experienced with operational management of technical businesses for at least 20 years. Living within the driving distance of our Pickering office.

Partnering Positions (Available Only to Those Located in the US & Canada)

These are opportunities for you to take advantage of GAO's marketing tools TekSummit, TekTube and TekApps to jointly promote your and GAO's products and services if you are (1) an independent consultant, (2) part-time or full-time employed wishing to develop your own business, or (3) business of any size. You may be in any field such as sales, marketing, software development, hardware development, system integration, technical services, technical consulting, management consulting etc. There is no fee between you and GAO: both parties work together to promote their businesses and each party will get its own share of the resulting opportunities.

[Visit here for more details on the partnering with GAO: https://gaorfid.com/business-partnership.](https://gaorfid.com/business-partnership)

If interested, please send an inquiry email with your contact details to business-partnership@gaorfid.com.
