

June - 2022 Training Agenda

by

IoT Specialists of GAO RFID Inc.

This training program is offered by IoT specialists of GAO RFID Inc. and is a part of TekSummit.

The training sessions are free to all attendees, same as other TekSummit presentations and trainings.

Professional Training Certificates shall be issued at no charge to practising professionals who take the training. University students are welcome to take the training but shall not be offered such certificates.

For any inquiry on GAO's IoT products and services and on this training program, including Professional Training Certificates, please contact IoT-Specialists@GAORFID.com

This agenda is updated constantly and there may be even changes at the last minute. Please always use the latest version. This agenda was updated on April 18, 2022.

June 1, 2022, Wednesday

Civil Engineering & Roads Construction - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Gas Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Gas Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Gas Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Gas Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Gas Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

June 2, 2022, Thursday

Mining Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Utility Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Utility Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Utility Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Utility Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Utility Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Defense Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Waste Management - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 3, 2022, Friday

Waste Management - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Waste Management - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Waste Management - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Waste Management - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Auto Parts Manufacturing - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Industrial Construction - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Industrial Construction - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Industrial Construction - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 6, 2022, Monday

Industrial Construction - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Industrial Construction - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Oil Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Retail Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Retail Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Retail Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Retail Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Retail Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 7, 2022, Tuesday

Residential Construction - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Casinos & Gaming Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Casinos & Gaming Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Casinos & Gaming Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Casinos & Gaming Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Casinos & Gaming Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Pig Farming Using BLE or RFID - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Oil Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 8, 2022, Wednesday

Oil Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Oil Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Oil Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Oil Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Cow Farming - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

IT & Communications Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

IT & Communications Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

IT & Communications Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 9, 2022, Thursday

IT & Communications Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

IT & Communications Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Agriculture - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Food Manufacturing - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Food Manufacturing - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Food Manufacturing - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Food Manufacturing - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Food Manufacturing - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 10, 2022, Friday

Manufacturing - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Mining Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Mining Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Mining Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Mining Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Mining Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Retail Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Tourism Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 13, 2022, Monday

Tourism Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Tourism Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Tourism Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Tourism Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Urban Management - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Culture Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Culture Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Culture Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 14, 2022, Tuesday

Culture Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Culture Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Gas Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Sports Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Sports Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Sports Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Sports Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Sports Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 15, 2022, Wednesday

Utility Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Urban Management - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Urban Management - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Urban Management - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Urban Management - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Urban Management - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Waste Management - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Civil Engineering & Roads Construction - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 16, 2022, Thursday

Civil Engineering & Roads Construction - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Civil Engineering & Roads Construction - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Civil Engineering & Roads Construction - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Civil Engineering & Roads Construction - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Institutional & Commercial Construction - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Defense Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Defense Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Defense Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 17, 2022, Friday

Defense Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Defense Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

IT & Communications Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Residential Construction - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Residential Construction - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Residential Construction - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Residential Construction - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Residential Construction - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 20, 2022, Monday

Food Manufacturing - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Pig Farming - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Pig Farming - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Pig Farming - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Pig Farming - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Pig Farming - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Education, Banking & Government Institutions - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Cow Farming - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 21, 2022, Tuesday

Cow Farming - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Cow Farming - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Cow Farming - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Cow Farming - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Entertainment Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Manufacturing - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Manufacturing - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Manufacturing - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 22, 2022, Wednesday

Manufacturing - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Manufacturing - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Tourism Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Agriculture - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Agriculture - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Agriculture - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Agriculture - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Agriculture - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 23, 2022, Thursday

Culture Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Education, Banking & Government Institutions - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Education, Banking & Government Institutions - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Education, Banking & Government Institutions - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Education, Banking & Government Institutions - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Education, Banking & Government Institutions - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Sports Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Institutional & Commercial Construction - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 24, 2022, Friday

Institutional & Commercial Construction - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Institutional & Commercial Construction - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Institutional & Commercial Construction - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Institutional & Commercial Construction - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Casinos & Gaming Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Entertainment Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Entertainment Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Entertainment Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 27, 2022, Monday

Entertainment Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Entertainment Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Industrial Construction - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Auto Parts Manufacturing - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Auto Parts Manufacturing - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Auto Parts Manufacturing - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Auto Parts Manufacturing - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Auto Parts Manufacturing - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 28, 2022, Tuesday

Civil Engineering & Roads Construction - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Gas Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Gas Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Gas Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Gas Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Gas Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Gas Industry - Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Mining Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 29, 2022, Wednesday

Utility Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Utility Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Utility Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Utility Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Utility Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Utility Industry -Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Defense Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Waste Management - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

June 30, 2022, Thursday

Waste Management - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Waste Management - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Waste Management - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Waste Management - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Waste Management - Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Auto Parts Manufacturing - An Overview of BLE & RFID Applications
