

# April 2023 RFID Training Agenda

by

## Specialists of GAO RFID Inc.

This training program is offered by specialists of GAO RFID Inc. and is a part of TekSummit.

The training sessions are free to all attendees, same as other TekSummit presentations and trainings.

Professional Training Certificates shall be issued at no charge to practicing professionals who take the training. University students are welcome to take the training but shall not be offered such certificates.

For any inquiry on GAO's IoT products and services and on this training program, including Professional Training Certificates, please contact [IoT-Specialists@GAORFID.com](mailto:IoT-Specialists@GAORFID.com)

This agenda is updated constantly and there may be even changes at the last minute. Please always use the latest version.

### **April 3, 2022, Monday**
