

July 2023 RFID Training Agenda

by

Specialists of GAO RFID Inc.

This training program is offered by specialists of GAO RFID Inc. and is a part of TekSummit.

The training sessions are free to all attendees, same as other TekSummit presentations and trainings.

Professional Training Certificates shall be issued at no charge to practicing professionals who take the training. University students are welcome to take the training but shall not be offered such certificates.

For any inquiry on GAO's IoT products and services and on this training program, including Professional Training Certificates, please contact IoT-Specialists@GAORFID.com

This agenda is updated constantly and there may be even changes at the last minute. Please always use the latest version.

July 5, 2022, Wednesday

Industrial Construction - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Industrial Construction - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Industrial Construction - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Industrial Construction - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Industrial Construction -Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Oil Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Retail Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Retail Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

July 6, 2022, Thursday

Retail Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Retail Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Retail Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Retail Industry - Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Residential Construction - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Casinos & Gaming Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Casinos & Gaming Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Casinos & Gaming Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

July 7, 2022, Friday

Casinos & Gaming Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Casinos & Gaming Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Casinos & Gaming Industry -Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Pig Farming Using BLE or RFID - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Oil Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Oil Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Oil Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Oil Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

July 10, 2022, Monday

Oil Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Oil Industry -Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Cow Farming - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

IT & Communications Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

IT & Communications Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

IT & Communications Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

IT & Communications Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

July 11, 2022, Tuesday

IT & Communications Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

IT & Communications Industry -Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Industrial Construction - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Food Manufacturing - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Food Manufacturing - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Food Manufacturing - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Food Manufacturing - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Food Manufacturing - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

July 12, 2022, Wednesday

Food Manufacturing - Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Agriculture - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Mining Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Mining Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Mining Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Mining Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Mining Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Mining Industry - Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

July 13, 2022, Thursday

Retail Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Tourism Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Tourism Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Tourism Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Tourism Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Tourism Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Tourism Industry - Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Urban Management - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

July 14, 2022, Friday

Culture Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Culture Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Culture Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Culture Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Culture Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Culture Industry - Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Gas Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

Sports Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

July 17, 2022, Monday

Sports Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Sports Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Sports Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Sports Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Sports Industry -Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Utility Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Urban Management - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Urban Management - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

July 18, 2022, Tuesday

Urban Management - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Urban Management - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Urban Management - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Urban Management - Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Waste Management - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Civil Engineering & Roads Construction - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Civil Engineering & Roads Construction - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Civil Engineering & Roads Construction - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

July 19, 2022, Wednesday

Civil Engineering & Roads Construction - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Civil Engineering & Roads Construction - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Civil Engineering & Roads Construction - Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Institutional & Commercial Construction - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Defense Industry - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Defense Industry - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Defense Industry - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Defense Industry - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

July 20, 2022, Thursday

Defense Industry - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Defense Industry -Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

IT & Communications Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Residential Construction - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Residential Construction - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Residential Construction - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Residential Construction - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Residential Construction - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

July 21, 2022, Friday

Residential Construction - Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Food Manufacturing - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Pig Farming - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Pig Farming - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Pig Farming - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Pig Farming - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Pig Farming - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Pig Farming - Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

July 24, 2022, Monday

Education, Banking & Government Institutions - An Overview of BLE & RFID Applications i

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Cow Farming - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Cow Farming - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Cow Farming - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Cow Farming - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Cow Farming - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Cow Farming - Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:00 pm to 1:30 pm EDT (New York Time)

Entertainment Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

1:30 pm to 2:00 pm EDT (New York Time)

July 25, 2022, Tuesday

Manufacturing - Asset Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am EDT (New York Time)

Manufacturing - Personnel Tracking Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am EDT (New York Time)

Manufacturing - Supply Chain & Logistics Management Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am EDT (New York Time)

Manufacturing - Access Control & Parking Systems Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm EDT (New York Time)

Manufacturing - Positioning & Navigation Using BLE

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:00 pm to 12:30 pm EDT (New York Time)

Manufacturing - Sensing Applications Using BLE & RFID

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

12:30 pm to 1:00 pm EDT (New York Time)

Tourism Industry - An Overview of BLE & RFID Applications

By IoT Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.
