

# May 2023 Training Agenda

by

## Specialists of GAO RFID Inc.

This training program is offered by specialists of GAO RFID Inc. and is a part of TekSummit.

The training sessions are free to all attendees, same as other TekSummit presentations and trainings.

Professional Training Certificates shall be issued at no charge to practicing professionals who take the training. University students are welcome to take the training but shall not be offered such certificates.

For any inquiry on GAO's IoT products and services and on this training program, including Professional Training Certificates, please contact [IoT-Specialists@GAORFID.com](mailto:IoT-Specialists@GAORFID.com)

This agenda is updated constantly and there may be even changes at the last minute. Please always use the latest version.

### **May 1, 2022, Monday**

#### **Asset Tracking Using BLE or RFID** **- Standalone, With Servers or Cloud** By Specialists of GAO RFID Inc.

Targeted audience: tech executives, managers and staff, operations executives, managers and staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

#### **Personnel Tracking Using BLE or RFID** **- Standalone, With Servers or Cloud** By Specialists of GAO RFID Inc.

Targeted audience: tech executives, managers and staff, operations executives, managers and staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

**Supply Chain & Logistics Management Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech executives, managers and staff, operations executives, managers and staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

**May 2, 2022, Tuesday**

**Asset Tracking in Healthcare Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech executives, managers and staff, operations executives, managers and staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

**Personnel Tracking in Healthcare Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech executives, managers and staff, operations executives, managers and staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

**Supply Chain & Logistics Management in Healthcare Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech executives, managers and staff, operations executives, managers and staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

**May 3, 2022, Wednesday**

**Asset Tracking in Automotive Manufacturing Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech executives, managers and staff, operations executives, managers and staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

**Personnel Tracking in Automotive Manufacturing Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

**Supply Chain & Logistics Management in Automotive Manufacturing Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

**May 4, 2022, Thursday**

**Asset Tracking in Oil & Gas Industry Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

**Personnel Tracking in Oil & Gas Industry Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

**Supply Chain & Logistics Management in Oil & Gas Industry Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

**May 5, 2022, Friday**

**Asset Tracking in Food Manufacturing Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

**Personnel Tracking in Food Manufacturing Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

**Supply Chain & Logistics Management in Food Manufacturing Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

**May 8, 2022, Monday**

**Asset Tracking in Civil Engineering & Roads Construction Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

**Personnel Tracking in Civil Engineering & Roads Construction Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

**Supply Chain & Logistics Management in Civil Engineering & Roads Construction Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

## **May 9, 2022, Tuesday**

### **Asset Tracking in Institutional & Commercial Construction Using BLE or RFID**

#### **- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

### **Personnel Tracking in Institutional & Commercial Construction Using BLE or RFID**

#### **- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

### **Supply Chain & Logistics Management in Institutional & Commercial Construction Using BLE or RFID**

#### **- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

## **May 10, 2022, Wednesday**

### **BLE for Navigation/Positioning**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

### **BLE for Navigation/Positioning for Offices**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

### **Access Control Using BLE or RFID**

#### **- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

## **May 11, 2022, Thursday**

### **Parking Systems Using BLE or RFID**

#### **- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

### **Inventory Management Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

**Pet & Livestock Tracking Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

**May 12, 2022, Friday**

**Car Rental Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

**Vehicle Tracking Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

**Car Sharing Using BLE or RFID**

**- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

## **May 15, 2022, Monday**

### **Mustering Using BLE or RFID**

#### **- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

### **Specimen Tracking Using BLE or RFID**

#### **- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

### **BLE for Navigation/Positioning**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

## **May 16, 2022, Tuesday**

### **BLE for Navigation/Positioning for Arts**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

### **RFID for Cabinets**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

### **RFID for Race Timing**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

## **May 17, 2022, Wednesday**

### **Asset Tracking in Residential Construction Using BLE or RFID W - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

### **Personnel Tracking in Residential Construction Using BLE or RFID W - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

### **Packaging & Handling Using BLE or RFID**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

### **May 18, 2022, Thursday**

#### **Asset Tracking in Manufacturing Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

#### **Personnel Tracking in Manufacturing Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

#### **Supply Chain & Logistics Management in Manufacturing Using BLE or RFID**

##### **- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

#### **Returnable Item Tracking Using BLE or RFID**

##### **- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm Eastern Daylight-Saving Time (New York Time)

### **May 19, 2022, Friday**

#### **Asset Tracking in Agriculture Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

#### **Personnel Tracking in Agriculture Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

#### **Supply Chain & Logistics Management Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

#### **Document Tracking Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm Eastern Daylight-Saving Time (New York Time)

**May 22, 2022, Monday**

## **BLE Navigation/Positioning for Visitors**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

## **BLE Navigation/Positioning for Hospitals**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

## **BLE Navigation/Positioning for Company Premises**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

## **Cold Chain Management Using BLE & RFID**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm Eastern Daylight-Saving Time (New York Time)

**May 23, 2022, Tuesday**

## **BLE Navigation/Positioning for Advertising/Marketing**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

## **BLE Navigation/Positioning for Airports**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

## **BLE for Navigation/Positioning for Shopping Malls**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

## **Industry 4.0 Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm Eastern Daylight-Saving Time (New York Time)

**May 24, 2022, Wednesday**

**Asset Tracking in Education, Banking & Government Institutions  
Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

**Personnel Tracking in Education, Banking & Government Institutions  
Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

**Supply Chain & Logistics Management Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

**Tire Management Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm Eastern Daylight-Saving Time (New York Time)

### **May 25, 2022, Thursday**

#### **Asset Tracking in IT Industry Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

#### **Personnel Tracking in IT Industry Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

#### **Supply Chain & Logistics Management Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

#### **Laundry Management Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.  
Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm Eastern Daylight-Saving Time (New York Time)

### **May 26, 2022, Friday**

#### **Asset Tracking in Mining Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

#### **Personnel Tracking in Mining Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

#### **Supply Chain & Logistics Management in Mining Using BLE or RFID - Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

**Traceability of Foods & Related Products Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm Eastern Daylight-Saving Time (New York Time)

**May 29, 2022, Monday**

**Asset Tracking in Industrial Construction Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

**Personnel Tracking in Industrial Construction Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

**Supply Chain & Logistics Management in Industrial Construction  
Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

**Traceability of Pharmaceutical & Medical Products Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm Eastern Daylight-Saving Time (New York Time)

**May 30, 2022, Tuesday**

**Asset Tracking in Utility Industry Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

**Personnel Tracking in Utility Industry Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

**Supply Chain & Logistics Management Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)

**Counterfeiting Prevention Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech managers & staff, operations managers & staff, other managers & staff.

11:30 am to 12:00 pm Eastern Daylight-Saving Time (New York Time)

**May 31, 2022, Wednesday**

**Asset Tracking Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech executives, managers and staff, operations executives, managers and staff.

10:00 am to 10:30 am Eastern Daylight-Saving Time (New York Time)

**Personnel Tracking Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech executives, managers and staff, operations executives, managers and staff.

10:30 am to 11:00 am Eastern Daylight-Saving Time (New York Time)

**Supply Chain & Logistics Management Using BLE or RFID  
- Standalone, With Servers or Cloud**

By Specialists of GAO RFID Inc.

Targeted audience: tech executives, managers and staff, operations executives, managers and staff.

11:00 am to 11:30 am Eastern Daylight-Saving Time (New York Time)
